

The background of the entire page is a repeating pattern of autumn-themed illustrations. It includes various shapes of leaves in shades of orange, yellow, and purple, as well as several acorns in brown and tan. The central text is contained within a rectangular frame with a double-line border in a dark brown color.

Giving Thanks Crafts Instructions

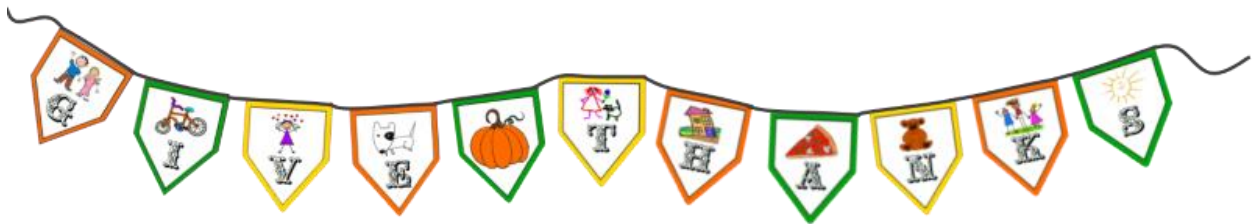

Thankful Turkey Napkin Rings

1. Print out Thankful Turkey template and write or draw something you are thankful for on each feather.
2. Color and cut out turkey.
3. Cut a strip of paper (use colored paper if desired) approximately 1 ½ inches wide by 8 ½ long.
4. Form a ring with the strip overlapping ends to create the desired size and secure with glue or staple.
5. Attach filled out and decorated turkey to paper ring with glue or staple.
6. Insert folded napkins for your table setting.

Give Thanks Banner

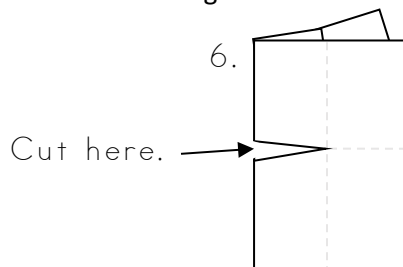

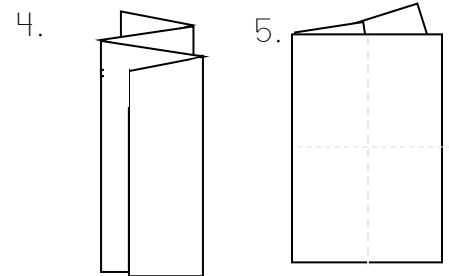

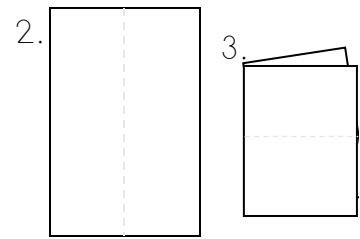

1. Print out the lettered pennant templates on pages A, B, and C. Draw or write something you are grateful for on each pennant. Note that there is one pennant with a pumpkin on it to use to divide the words or use the blank one included to design as you wish.
2. Cut out pennants along black lines.
3. Print Background Template (page D) on colored paper. You will need to print 3 of page D. You can do them all in one color or different colors or even printed paper. It's up to you.
4. Cut template along black lines.
5. Center and glue one cut out pennant to each cut out background.
6. Cut a long piece of string or yarn and attach finished pennants with glue, tape or staples, leaving a little space between each pennant, to spell out "Give Thanks."
7. Hang for all to see.

How to Make a Mini Book

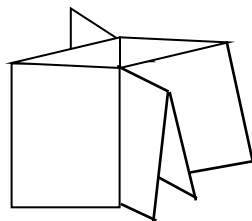

1. Print out as many mini books you wish to make.
2. Using gray lines as a guide, fold page in half matching long edges, print side up. Open up again.
3. Fold page in half matching short sides, print side up. Leave folded.
4. Fold each short side back towards the spine of the middle fold created in step 3 to end up with an accordion folded page.
5. Open sides back out as in step 3.
6. Cut the page along fold line made in step 1 from the folded edge to the fold lines made in step 4.

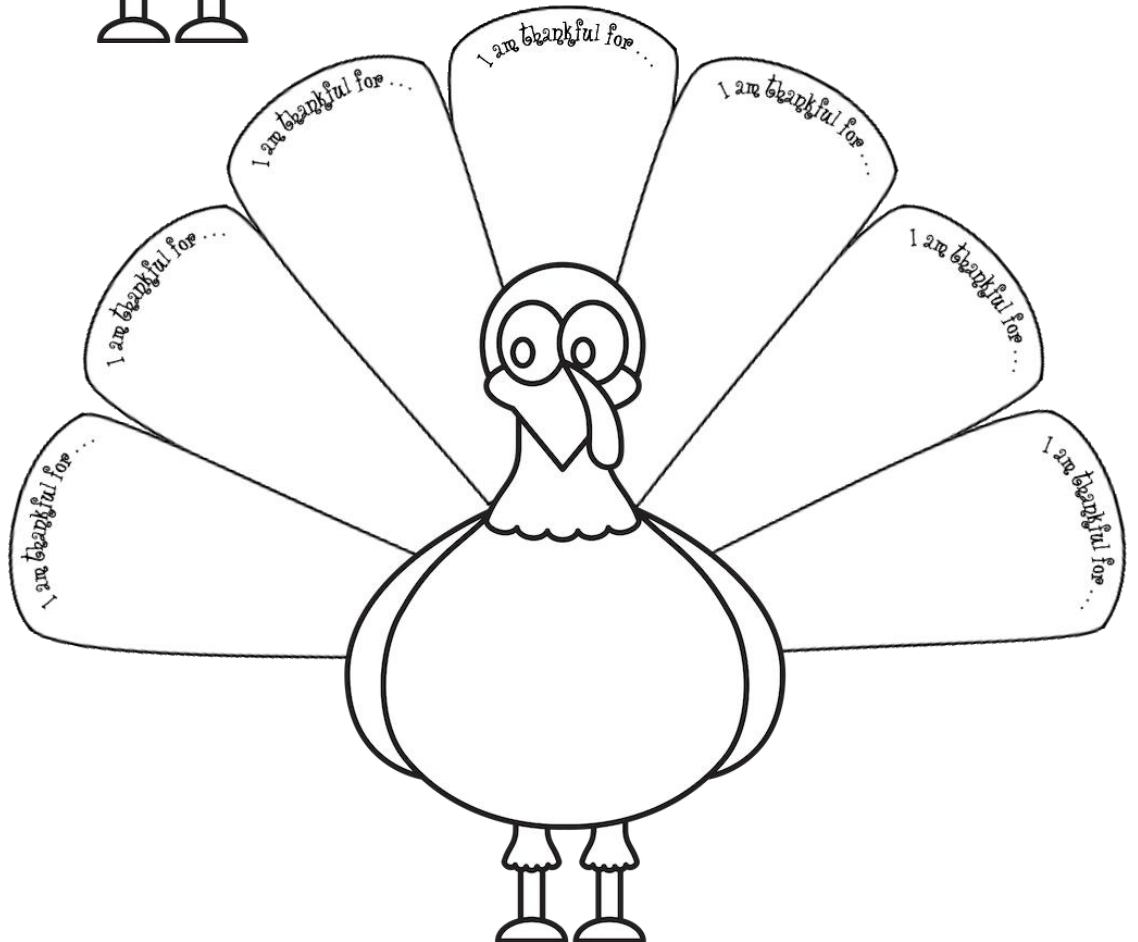

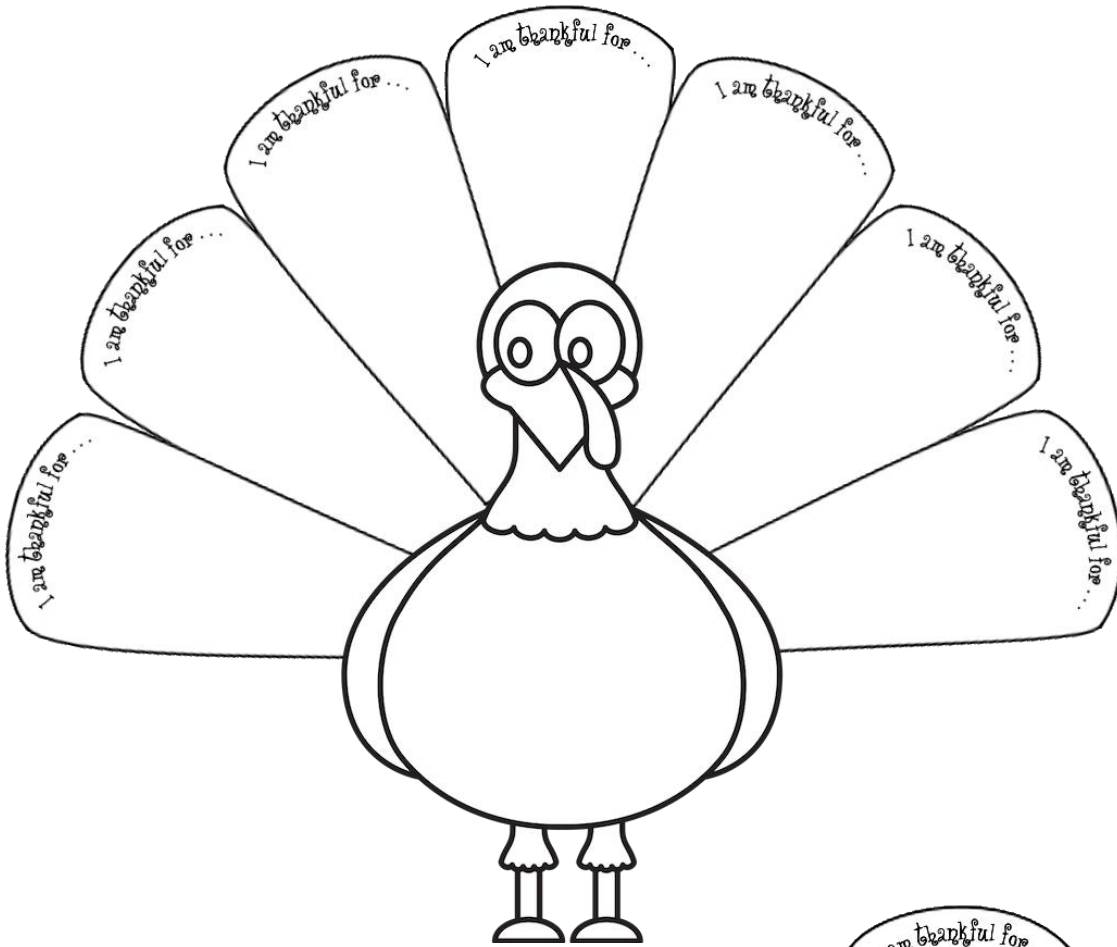

7. Lay the page on table with cut edge up and folds made in step 4 out to form a tent.

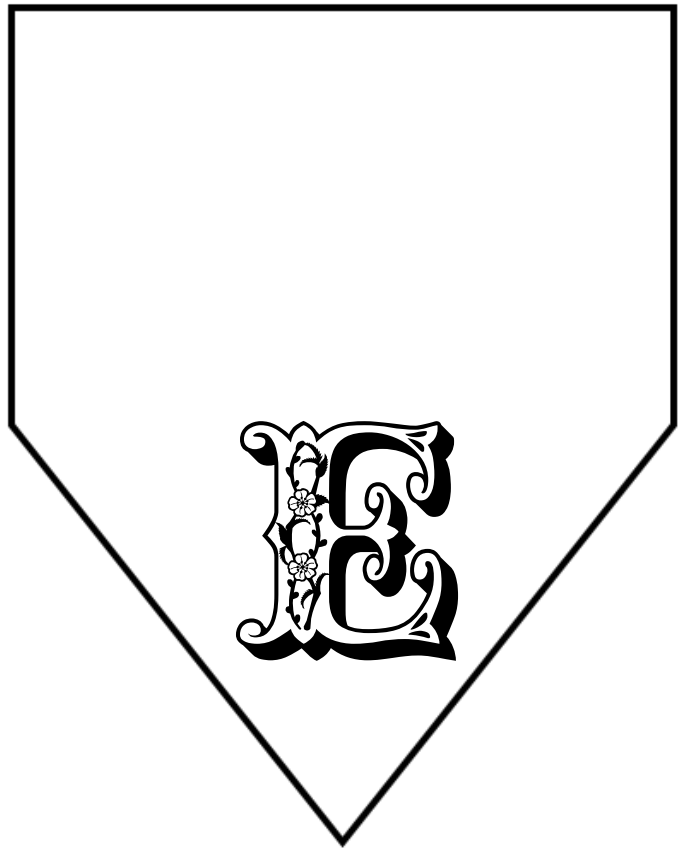

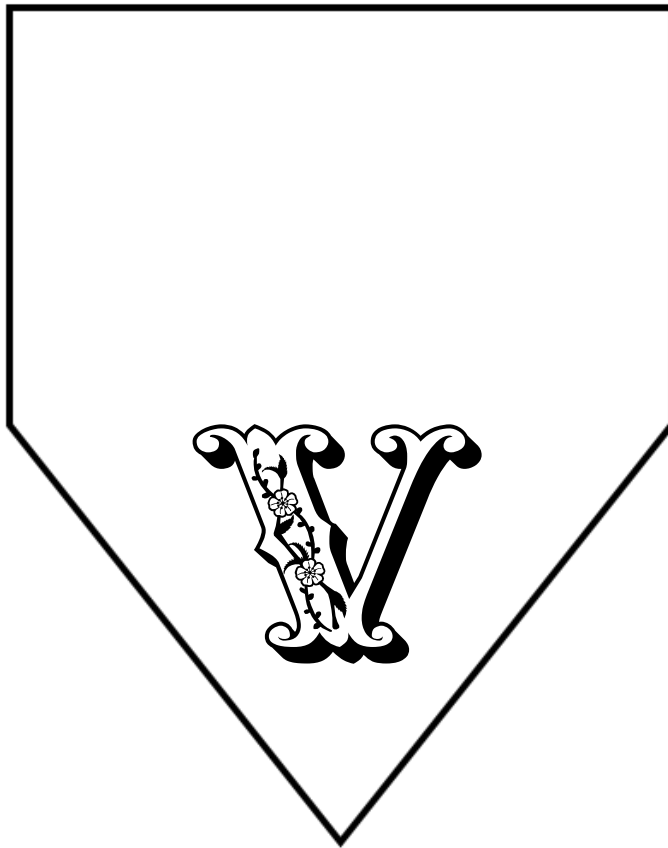

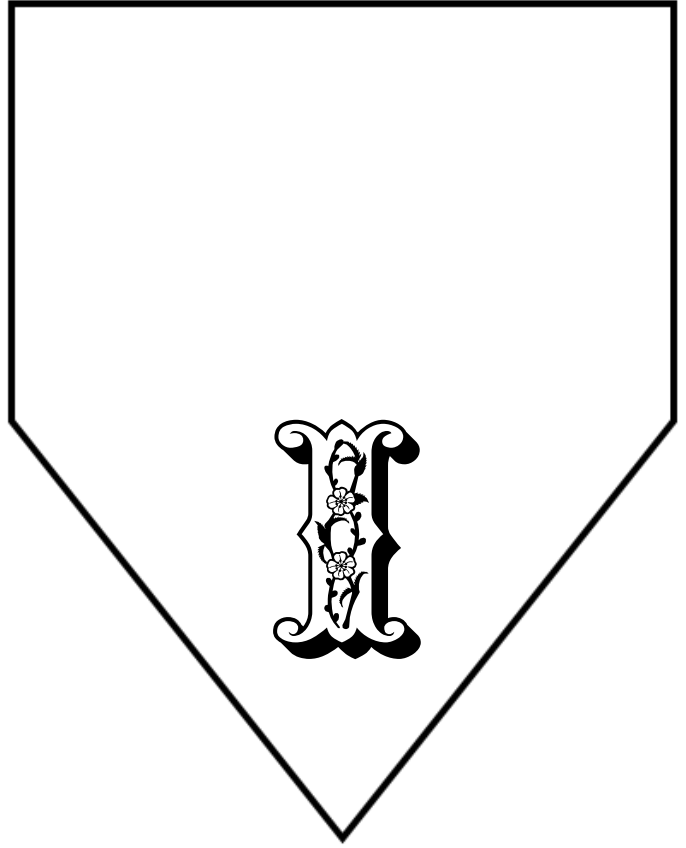

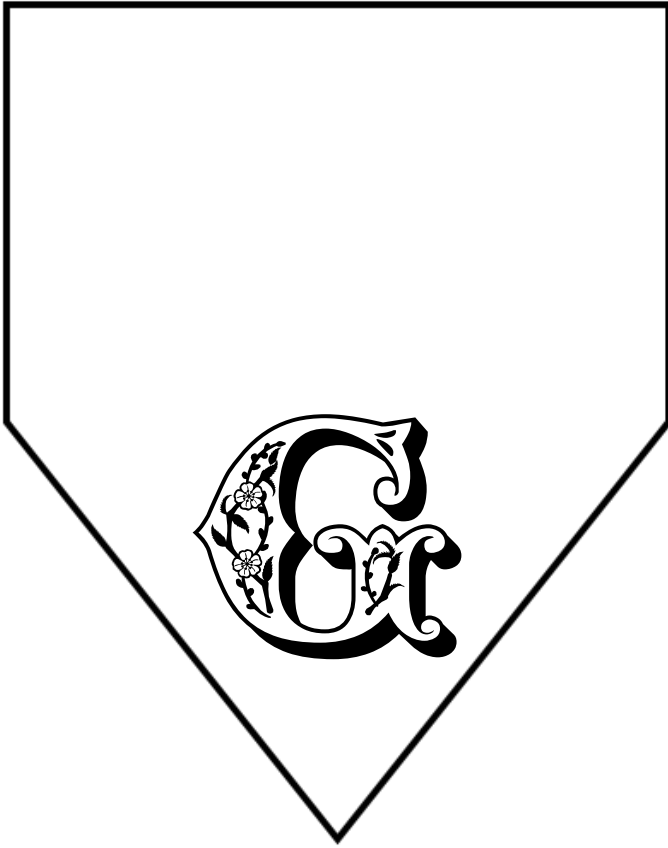

8. Grab each side of the folds cut edge, push down and bring sides together. (You will have what looks like an "X") Close up the book so that the title page is in the front.
